SCHEME OF DELEGATION / TERMS OF REFERENCE

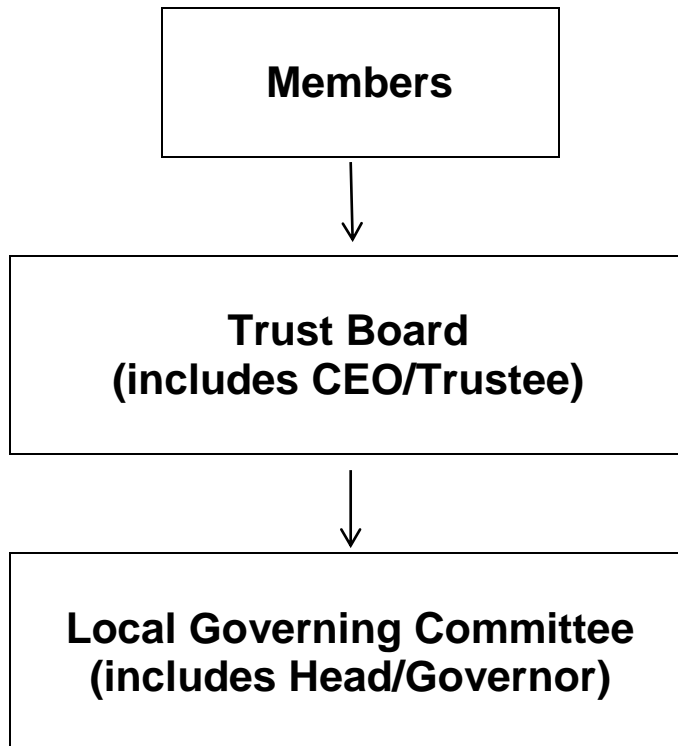

TRUST BOARD AND SUB-COMMITTEES

2016/2017

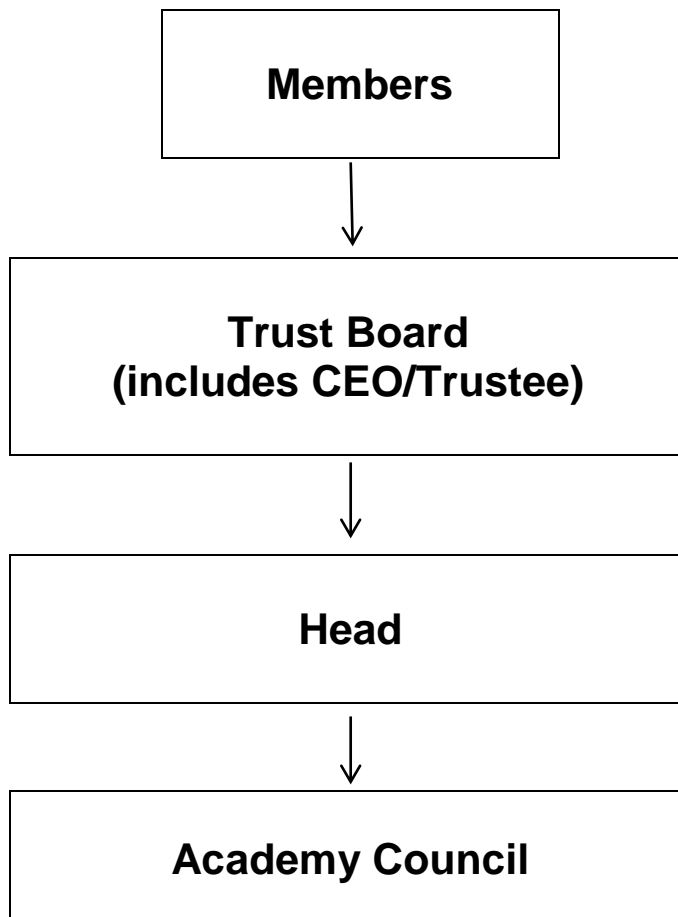

SEPTEMBER 2016

DELEGATION

Local Governing Committee

Academy Councils

Roles and Responsibilities

1) The Role of Members

Members of the Trust have a different status to Trustees. The first members are signatories to the Memorandum of Association and have agreed the Trust's first articles of association (the document which outlines the governance structure and how the Trust will operate). The Articles describe how Members are recruited and replaced, and how many of the Trustees the Members can appoint to the Trust Board. The Members appoint Trustees to ensure that the Trust's charitable object is carried out and so must be able to remove Trustees if they fail to fulfil this responsibility. The Trust Board submits an annual report on the performance of the Trust to the Members. Members are responsible for approving any amendments made to the Trust's articles of association. Not all members will be Trustees to ensure a degree of separation.

2) The Role of the Trustees

The Trustees are the Charity Trustees (within the terms of section 177(1) of the Charities Act 2011) and are responsible for the general control and management of the administration of the Trust in accordance with the provisions set out in the Memorandum and Articles of Association. The Board of Trustees is the accountable body for the performance of all schools within the Trust and as such must:

1. Ensure clarity of vision, ethos and strategic direction.
2. Hold the Executive Principal/CEO to account for the educational performance of the schools and their pupils, and the performance management of staff.
3. Oversee the financial performance of the Trust and make sure its money is well spent.

The Trust Board is permitted to exercise all the powers of the Academy Trust. The Trust Board will delegate to the Chief Executive responsibility for the day to day operations of the Trust. The Trustees can determine whether to delegate any governance functions.

The Trust Board has the right to review and adapt its governance structure at any time which includes removing delegation.

The Trustees are also Directors and so must comply with company law in addition to charity law.

3) The Role of Committees

Shrewsbury Academies Trust is the statutory body for all the schools in the Academies Trust. The Secretary of State for Education has entered into an agreement with Shrewsbury Academies Trust to run the schools in the Trust and therefore the Academies Trust Board is responsible for the standards and operation of all schools in the Trust.

The Academies Trust Board must determine the membership and proceedings of any committee, with due regard to the requirements of the Articles of Association of Shrewsbury Academies Trust. Only the Academies Trust Board can take decisions on the delegation of powers, including the establishment of committees, the approval of schemes of delegation, the appointment of Directors and Governors [with the exception of parent or staff Governors] or non-Governors to any committees, or the delegation of any powers to a Committee or an individual (for example, the Chairman of the Academies Trust, Principal/Chief Executive Officer, Chairman of the Local Board or the Headteacher), or any changes to previous agreements. The Academies Trust Board must also review the schemes of delegation/terms of reference, constitution and membership of any committee or sub-committee annually.

The terms of reference of the Local Governing Committee (LGC)/Academy Council must be approved by the Board of Directors (the Board) of the Multi Academy Trust. The Board may review and amend these terms of reference from time to time. These terms provide the framework within which the LGC shall operate.

The Trustees may establish committees either with delegated authority to make decisions or for the purpose of providing advice and support, informing the overall work of the Trust Board. However these committees are not legally responsible or accountable for statutory functions – the Trust Board retains overall accountability and responsibility. The responsibilities of board committees are set out in the terms of reference ; the responsibilities for school governing committees are set out in the scheme of delegation/terms of reference. The Trust Board may appoint committee members and committee chairs.

4) The Role of the Local Governing Committee

The Trust Board will establish LGC's. The Chair of the LGC is elected by the LGC and appraisal and review process will be undertaken by the board. The trust and LGC will ensure two parents are elected and will determine what will be delegated. Typically, responsibilities may include:

- Building an understanding of how the school is led and managed
- Monitoring whether the school is:
 - Working within agreed policies
 - Is meeting the agreed targets
 - Managing its finances well
- Engaging with stakeholders staff, parents, pupils and local residents
- Reporting to the Board via minutes of meetings, and by letter/email if necessary.

As a committee of the Board, delegation can be removed at any time.

5) The Role of the Academy Council

The Trust Board may establish an Academy Council in each school which is in the 'RI Requires Improvement' category and will appoint the Chair. Two parents will be elected to the council. The council may:

- Seek to understand how the school is led and managed; the Academy Head will report termly on how the school is fulfilling the trust's ethos, vision and strategy
- Act as the panel when reviewing the Academy Head's decisions on exclusions, and parents' complaints
- Be the consultative body for the school's stakeholders
- Represent the school's stakeholders
- Forge links with the community
- Act as an ambassador for the school
- They should have a direct access to the Trust Board in case concerns need to be raised.

6) The Role of the Executive Principal/Chief Executive Officer (CEO)

The CEO has the delegated responsibility for the operation of the Trust including the performance of the trust's schools and so the CEO performance manages the Heads. The CEO is performance managed by the Trust Board. The CEO is accountable to the Board for the performance of the Trust as a whole, the CEO will report to the Board on the performance of the Trust including on the performance of the Trust's schools.

Where there is an Academy Council the Trust Board delegates responsibility for the day to day operation and performance of the Trust, including the performance of the academies within the Trust, to the CEO (scheme of delegation appendix C).

The CEO is the accounting officer so has overall responsibility for the operation of the academy trust's financial responsibilities and must ensure that the organisation is run with financial effectiveness and stability; avoiding waste and securing value for money.

The CEO leads the executive management team of the academy trust. The CEO will delegate executive management functions to the executive management team and is accountable to the trust board for the performance of the executive management team.

7) The Role of the Heads

The Heads are responsible for the day to day management of the academies and are managed by the Chief Executive Officer/Executive principal but where there is an LGC in the academy the Head will report to them on matters which have been delegated to the LGC.

8) Local Governing Committees

The LGC will be composed, where possible, of no more than 9 local governors (minimum 7 local governors)

Minimum

2 Parent Governors

1 Coop Business Representative or Co-opted Governor

1 Staff Representative

1 Head

Student Representative(s) invited to full LGC meetings as required

Other governors to be appointed/elected from the relevant constituency as required.

Potential Governors will satisfy the Board they have the requisite skills to effectively govern the academy.

The Board of Directors supports the Local Governing Committees in its ambition for the academy to be outstanding at the earliest opportunity.

The Board believes that outstanding schools take responsibility for their own decisions and wishes to enable and support the LGC in acting as far as possible as if it were a single academy trust. The Trust Board has a differentiated approach to autonomy of Local Governing Committees, following the principle of earned autonomy ie a special measures school may have its local board removed and replaced by an interim executive board/Academy Council appointed by the Trustees. See Appendix A Differentiation and Appendix C Scheme of Delegation for Academy Council)

Where the Academies Trust Board has established a Local Governing Committee in each school, they will have agreed delegation arrangements. The Chair of the LGC is elected by the LGC and appraisal and review process will be undertaken by the board. The committee structure of the Local Governing Committee may include the sub-committees detailed within this document. The Local Governing Committee will discuss the establishment, constitution and membership of any LGC sub-committee annually and advise the Trust Board of any proposals for change. The membership of any Local Governing Committee may include associate members *provided that a majority of members of the committee are governors*. Each committee must have a Chair, who is either appointed by the Local Governing Committee or elected by the individual committee. Either the Academies Trust Board or the LGC may remove the chair of a committee from office at any time.

9) Appointment of Committees

The delegation arrangements should be kept under constant review, and should be approved each year, (e.g. the first Academies Trust Board Meeting in the Autumn term). Good practice requires the Academies Trust Board to consider the delegation arrangements at least annually.

The Academies Trust Board may appoint non-directors and the Local Governing Committee may appoint non-governors to any of the committees providing that, on committees of the Trust Board, Directors form the majority of voting members of the committee, or in the case of Local Governing Committees, Governors (a) form the majority of the members of the committee; (b) are in the majority at any meeting of the committee; and (c) take the Chairmanship of the committee. The Trust Board may appoint non-directors only to the Staff Discipline and the Academy Trust Board may appoint non-directors only to the Staff Dismissal Appeals Committee.

10) Retention of Powers

Some key decisions cannot be delegated and must be taken by the Academies Trust Board. In these cases the Academies Trust Board may still ask a person or a working group to consider issues and make recommendations to them, as long as the full Academies Trust Board take the decision. This is also true for the Local Governing Committee, where some key decisions cannot be delegated and must be taken by the Local Governing Committee. Again, the Local Governing Committee may ask a person or a working group to consider issues and make recommendations to them, so long as the Local Governing Committee takes the decision. The Trust Board and Local Governing Committees should take care to distinguish between committees which have delegated powers and working groups/parties or informal groups which do not.

The Academies Trust Board is the employer of all staff and therefore is the final appeal body in matters of pay and staff discipline.

The Academies Trust Board is the admissions authority for all schools in the Trust.

The Academies Trust Board will agree the final budget for each school.

Duties which cannot be delegated to the Local Governing Committee are:

- the suspension of governors
- appointing and removing the chair
- the delegation of functions

Decisions relating to staff dismissal and appeals must be delegated to the Staff Discipline Committee of the Local Governing Committee and Staff Discipline Appeal Committees.

Functions relating to the exclusion of pupils **must** be delegated to a Pupil Discipline Committee.

Outside these restrictions the Academies Trust Board *may* delegate any of its functions to a committee or an individual (e.g. Chairman, Vice-Chairman, Principal/Chief Executive Officer, Local Governing Committee or Headteacher/Head of School).

11) **Operation**

The following operational standards will be followed:

- an agenda is required for each member of the committee (+ Headteacher/Head of School if not a member)
- the agenda will be dispatched to give seven clear days' notice of the meeting
- draft minutes of the LGC and committees should be written up and circulated to Head and Chair within 7 days of the meeting for checking. The draft minutes should then be circulated by email to all members of the LGC and to the CEO of the Trust within 14 days of the meeting. The draft minutes will be read, amendments noted and signed at the next LGC meeting.
- a report of the meeting is given via the minutes of the LGC to the Academy Trust Board*
- Directors and Governors who are employed at the school cannot be Chairman or Vice-Chairman of any committee.

* all decisions taken under delegated powers – whether by committees or individuals – must be reported to the Academies Trust Board via the Local Governing Committee. It is recommended that this is achieved by the committee minutes being circulated (for scrutiny) and discussed. Actions by the Principal/Chief Executive Officer should be notified to the Academies Trust Board through the Principal/Chief Executive Officer's report and actions of the Headteacher/Head of School can be notified to the Local Governing Committee through the Headteacher/Head of School's Report.

Minutes of the meetings must be clerked by a person who is not a member of the Local Governing Committee (and not the Headteacher/Head of School).

The committees for the Academies Trust Board and Local Governing Committee together with terms of reference and delegation are on the following pages.
