

**The SEND Local Offer  
Shrewsbury Academy 2017/2018**

**Introduction/ Overview**

**Shrewsbury Academy Commitment to SEND**

Shrewsbury Academy is an 11-16, is an average size, (816 on roll)

Shrewsbury Academy endeavours to identify, monitor (and if necessary, put appropriate interventions in place) to ensure students can make adequate progress in the four areas specified in the SEND Code of Practice:

1. communication and interaction
2. cognition and interaction
3. social, mental and emotional health
4. sensory and/or physical development

We work closely with all parents to listen to their views so as to build on students' previous experiences, knowledge, understanding and skills so that they develop in all aspects of the curriculum.

We believe that all practitioners are teachers of students with SEN and differentiate according to the needs of the students in their care.

We believe in equal opportunities and try to meet the physical, emotional and intellectual needs of all students – support offered will be appropriate to the individual student to meet their individual needs.

This policy should therefore to read alongside the Single Equalities Policy and Accessibility Plan.

Students with SEND are fully integrated into the life of the school and the curriculum, recognising the strengths of every individual as well as any areas for development. We aim to ensure that all students contribute to the social and cultural activities of the school.

Parents are encouraged to discuss any concerns with the Form Tutor, Class Teacher, SEN Department, Headteacher or SEND governor as appropriate.

In 2017/2018 we have 39 EHCP students and 193 students identified at SEND Support on the SEND list – this is reviewed and updated termly. In addition we also identify students who have some additional needs but these needs *can be met within the classroom by the class teacher through 'Quality First Teaching'*

The SEN Department consists of SENCO, SEN Administrator, Deputy SENCo, SEND Intervention Lead, SEND Lead Attached TAs and 23 teaching assistants

The school accesses a wide range of external services for additional advice and support – for example CAMHS, Educational Psychology Service, Learning Support Advisory Team, Sensory Inclusion Teams and Autism West Midlands.

**The Local Authority Local Offer can be found at <http://new.shropshire.gov.uk/the-send-local-offer> there is a wealth of information regarding groups/activities/organisations and services that can support professionals and parents in Shropshire.**

## **How we consult with parents and carers of children with Special Educational Needs**

- Meet with parents in Year 5 and 6 prior to school placement as necessary
- Attend Year 6 Annual Reviews and arrange extra parental visit in Year 6
- Department open for Year 6 Open Evening
- A timetable of the use of Pupil Centred Plans/Pupil Profiles has been drawn up – parents will be included in their child’s profile
- Regular contact via email
- Regular telephone contact
- Parents are invited to attend each Annual Review of Education, Health and Care plans
- The school SEND policy is published on the website
- SEND Information Report published on the website
- SENCo for Pupil Support & Inclusion available at Parents Evenings – Parent Evening questionnaires are available seeking the views of parents of all students
- We seek parental feedback in the Autumn term of Year 7 for their views on transition and ask for any suggestions to develop/improve our system
- Parents Evenings
- Monitoring Reports
- Data Analysis

## **How we consult with our pupils with Special Educational Needs**

- We ask for their feedback for reviews of EHCP
- Students will be included in the development of Pupil Centred Plans
- Break/Lunchtime Support in the Hub
- Through small social groups
- Through Social Circles / Alternative Curriculum
- Use of keyworkers
- Form Tutors

## How we support our pupils at times of transition

- Initial contact made with many parents at Year 6 Open Evening in the October prior to joining Shrewsbury Academy
- Extra visits prior to transition
- Pupils are given 'Finding out about Shrewsbury Academy' transition booklet
- Careful matching of pupil to tutor who will best support their needs
- We discuss with primary schools about tutor setting particularly when the student is from an 'out of area' school
- We meet with SENCO at primary school to ensure we have up to date information on their needs and how best to support them in the secondary setting
- We attend Year 6 Annual Reviews
- Invite parents of vulnerable Year 6 students in for additional tour of the school
- Allocate keyworkers
- Receive training from outside agencies for any identified needs ie Attachment Disorder, Visual Impaired
- Work with Woodlands Outreach Transition sessions
- Work with Acorn Project Transition Programme
- Invite Year 6 students into see our school production
- We have Sports Leaders working in the primary schools
- Our Pastoral Managers visit the primary schools
- Involvement of Independent Careers Adviser/Future Focus KS3 into KS4
- Teaching Assistants can support identified students on College 'taster days'

## How we adapt our curriculum and learning environment to include pupils with Special Educational Needs

- Students are set according to ability
- Teaching Assistants are deployed according to need of individual/groups of students
- The GCSE curriculum includes vocational studies/pre-college visits and careful selection of work experience placements
- Staff strategy sheets are distributed and staff are updated with any recommendations from professionals
- Key words are displayed in classrooms
- We provide additional withdrawal support in The Hub – completion of Coursework/over-learning/reduced Option choice
- Teachers are asked to mark Dyslexic students' work for content and not spelling
- Backgrounds of whiteboards and computers can be changed to be more 'Dyslexia friendly'
- We offer withdrawal for literacy, numeracy and handwriting sessions
- Students are assessed for exam access arrangements (readers/scribes/extra time)/opportunities to complete exams in a separate room
- 'Visual' prompts are used in lessons
- Provide a 'meet and greet' support for some ASD students first thing in the morning during the initial settling period
- Identified students (mainly within KS4) to support exam access arrangements can use laptops
- Slightly adapted arrival/departure to/from lessons to support anxious ASD students on busy corridors
- Reduced number of MFL lessons in KS3 to allow for additional literacy and numeracy work
- 'Life Skills' programme (non-exam) to support the 'whole child' development
- Modified timetable to include KS4 students allowing 'catch-up' opportunities in a small focused environment
- Voice Of the Learner surveys - we can then offer small group self-esteem support as appropriate
- Pupil Premium, where applicable, makes tutoring in literacy and numeracy available to students
- Use of ICT to enable Visually Impaired students to access interactive teaching boards
- Work enlarged to recommended vision size for visually impaired students
- Adapted and differentiated curriculum for PE to support inclusion of students with physical disabilities
