### Mr Latham – Duke of Edinburgh

#### Bronze DofE

DofE. Expedition training this week led by Laura Ashwell. The Year 10 DofE group did a session on First Aid where they learned how to manage an incident, treat an unconscious casualty and perform CPR. **#co-operation**

## **Mr Jones – Shrewsbury Flower Show 2018 - Academy Show Garden**

A group of students have worked to create a garden design that has been submitted and accepted by Shropshire Horticultural Society. The garden has a set theme of Times Gone By and we have incorporated a sub topic of One Hundred Years of Female Achievement into our design. Parts our garden will be made out of recycled materials and others will be sponsored by local companies. Students have started to build the garden in kit form in the pottery room and teachers and students are invited to visit to see how our team of students builders are progressing. The garden will be reconstructed at this years Shrewsbury Flower Show to represent the Academy. **#aspiration#excellence**

## **Mrs Middleton – English Department**

English are running a trip to see Macbeth at Stafford Castle in July. Any Year 9 students (or Year 10s who have done Macbeth this year) who would like to see the performance should come and get a letter from Mrs Middleton (E3). Reply slips must be back by 25th May. Places are limited and will be allocated on a first come first served basis.

Monday                    HOD's  
Tuesday  
Wednesday              Year 6 open evening WRC at 5.30pm.  
Thursday  
Friday

## **Mrs Howells - Pastoral**

**Statement from Ian Bartlett Shropshire Council  
Crime Prevention Officer**

**Occupational Health and Safety Team  
Workforce & Transformation**

Safer Schools'

The Shrewsbury Academy has been involved in the 'Safer School' initiative for a number of years. This is a security and safety process supported by Shropshire Council and West Mercia Police. Last week, the academy held a 'Safer School Group' meeting at the Worcester Road site and it was an extremely thorough and positive meeting. This meeting included staff of varying responsibilities from across the academy and it is planned to include students and a governor at the next meeting. The Group reviewed security/safety with the aid of a checklist, analysed feedback from both the parent/carer and student 'Safer School' surveys and finally, reviewed incidents/issues at the site. Using this information, the Group created an action plan for review at a future meeting in October. During recent years, the academy had been preparing the Worcester Road site for 'Safer Schools' so it is with great satisfaction, that the site will receive its 'Safer School' accreditation later this term – Congratulations!!

## After School Clubs
