

Shrewsbury Academies Trust

School admission arrangements

2020/21

We wish to notify all parents/carers that consultation on the School Admission Arrangements for 2020/2021 began on Wednesday 12 December for a period in excess of 6 weeks up until 25 January 2019.

The proposed admission arrangements are laid out in the attached document School Admissions Policy. The only change to the admissions arrangements of the Trust is one recommended by the DfE which introduces a high priority in their over-subscription criteria to children who have been adopted from state care outside of England. We are currently consulting on this

Your comments in respect of the consultation can be sent to l.beeston@sat.coop in the first instance.
